AIR

Kinshasa, 20/11/2023

To Mr. Chief Executive Officer of EXAD SARL  
In Kinshasa/Ngaliema

Concern: Clarification of the status of Huawei Technologies (RDC)SARL as a main contractor

Mr. CEO,

I would like hereby to inform you that by Letter of ARSP dated November 1<sup>st</sup> 2023, Huawei Technologies (RDC) SARL has been removed from the list of non-eligible subcontractors published on 15/09/2023.

In fact, based on relevant laws and regulations of Congo, the activities for which Huawei Technologies (RDC) SARL was listed are left out of the subcontracting law in private sector.

Furthermore, ARSP has recognized Huawei Technologies (RDC) SARL as a main contractor company, and such a main contractor's status was confirmed earlier before by the Minister of Small and Medium Enterprises in its letter of 21/03/2023.

In the light of the above, we hope your company will not regard Huawei as a subcontractor, especially when communicating with the government and ARSP.

In case your company receives any inquiries or investigations regarding Huawei, please share information with us so that we can make positive efforts to figure out a best way to protect each other interests.

Yours sincerely

Pour réception  
Tomy Owikash  
EXAD  
Ms.

CHEN MINGLIANG
